To whom it may concern.

This letter of recommendation is for Manpreet Singh. He has been my student in the Computer Information Systems Undergraduate program at the Fraser Valley India, Chandigarh.

Manpreet is the kind of person who combines his inherent abilities with willingness and openness to learn new ideas. He has been good in his Academics and has managed to retain a decent percentage. He has also shown an innovative nature and ability to think from a non-conventional point of view. Manpreet has proven many times that through hard work, sincerity, and teamwork, one can accomplish tasks in a courteous and timely manner.

In addition to his technical skills, Manpreet is a good human being with genuine care for others. He's one of those few people who work hard and diligently with a smile on his face. It should come as no surprise that Manpreet is well-liked and admired by his peers.

I am sure that Manpreet will excel at whatever he undertakes, and I wish him all the very best for his future. Should you have any further queries, please feel free to contact me at +91(0) 921 689 8111 or email me at aseemraj.kaur@ufv.ca, aseemrajkaur@gmail.com
